Councilman**

## Extra!

**Eastbound Shore Drive traffic will be diverted to the new Lesner Bridge span this afternoon, Christopher J. Wojtowicz, bridge replacement project manager told the Bayfront Advisory Commission this morning.**

**The switchover will begin about 1 p.m. today and should be complete by the afternoon commute. When complete, the new span will host four lanes of traffic – two in each direction.**

**This will be a long-term traffic pattern while the old Lesner Bridge is demolished and replaced by a new eastbound span. Motorists should exercise caution with the new traffic pattern.**
