# President's Corner

We enjoyed meeting with Mayor Dyer and hearing his perspective on the state of the city. Minutes are included in the newsletter on page 8. The City phone number is 757.385.3111 and he encouraged all residents to utilize the number.

We have a new director, John Sutton, that works with the Virginia Beach City Public Schools, so we're including school information in the newsletter for those folks that might not have the information available to them. An example is on page 9 & 10.

Thank you for participating in the VBCCO and volunteering for your Neighborhood! We all benefit when neighbors come together.

Keep an eye out this season for doorstep thieves and help one another!

*C. Douglas Jr.*

## MINUTES

The President welcomed everyone and called the meeting to order at 7:00 pm, followed by the Pledge of Allegiance. A quorum was present.

### Speaker:

Mayor Bobby Dyer was introduced and thanked us for our neighborhood service. He shared information about Virginia Beach being the safest city our size in the nation and that he's attended over 700 civic meetings. The Council looks to improved communication with the residents and would like to see Town Halls in each area. Several important issues for 2020 will be the Census, the City Budget and a new City Manager. After a brief talk he addressed questions.

A brief recess was held for members to discuss questions with Mayor Dyer individually.
