***JEBLCFS Gate Construction  
and Traffic Plan  
15 March 2023***

# Gate Barrier Replacement Traffic Control Plan

The automated vehicle barriers at JEBLCFS access control points (ACP) are currently undergoing construction and replacements. The current gate schedule is as follows:

## Gate Construction Schedule

- Gate 8: 2/9/24 – 3/29/24
- Gate 3: 4/1/24 – 5/3/24
- Gate 5: 5/4/24 – 6/11/24
- Gate 1: 6/12/24 – 7/19/24

# Gate 3 Construction

## 4/1/24 – 5/3/24

### INGRESS:

- Traffic is rerouted to INGRESS via gate #5 (4 lanes) and Gate #1 (4 lanes)
- 0500-0900

### EGRESS:

- Gate 1 and 5 will only have 1 lane to Egress 0500-0900
- Additional Egress will be VIA Gate #2 (3 Lanes) 1000-1700

### OPERATIONS:

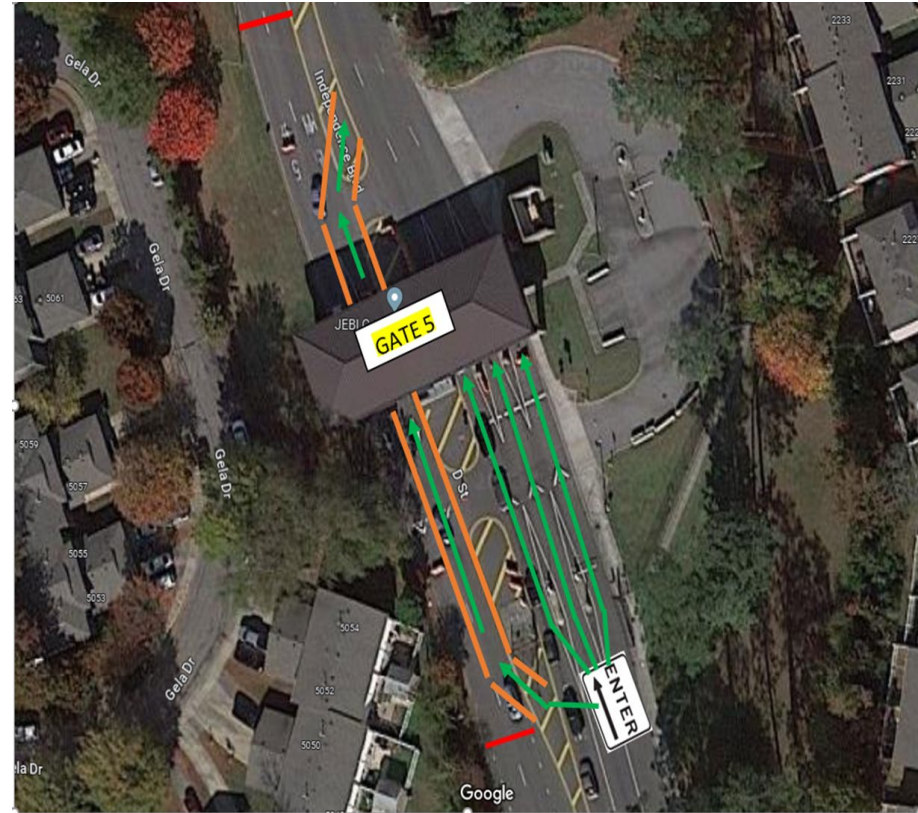

- All Gate 3 lanes inbound/outbound Closed
- Truck Inspection hours are 0700 – 1500 Mon thru Fri and Pass & ID access is fully operational

# Gate 3 Construction

## 4/1/24 – 5/3/24

# Gate 3 Construction

## 4/1/24 – 5/3/24

# Gate 5 Construction

## 5/4/24 – 6/11/24

### INGRESS:

- Gate #5 Inbound Lanes will continue with normal operations 24/7

### EGRESS:

- Gate #4 will open as an egress only 24/7

### OPERATIONS:

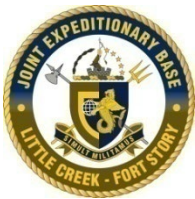

- Gate #3 and Gate #1 will be normal operations

# Gate 5 Construction 5/4/24 – 6/11/24

# Gate 1 Construction

## 6/12/24 – 7/19/24

### INGRESS:

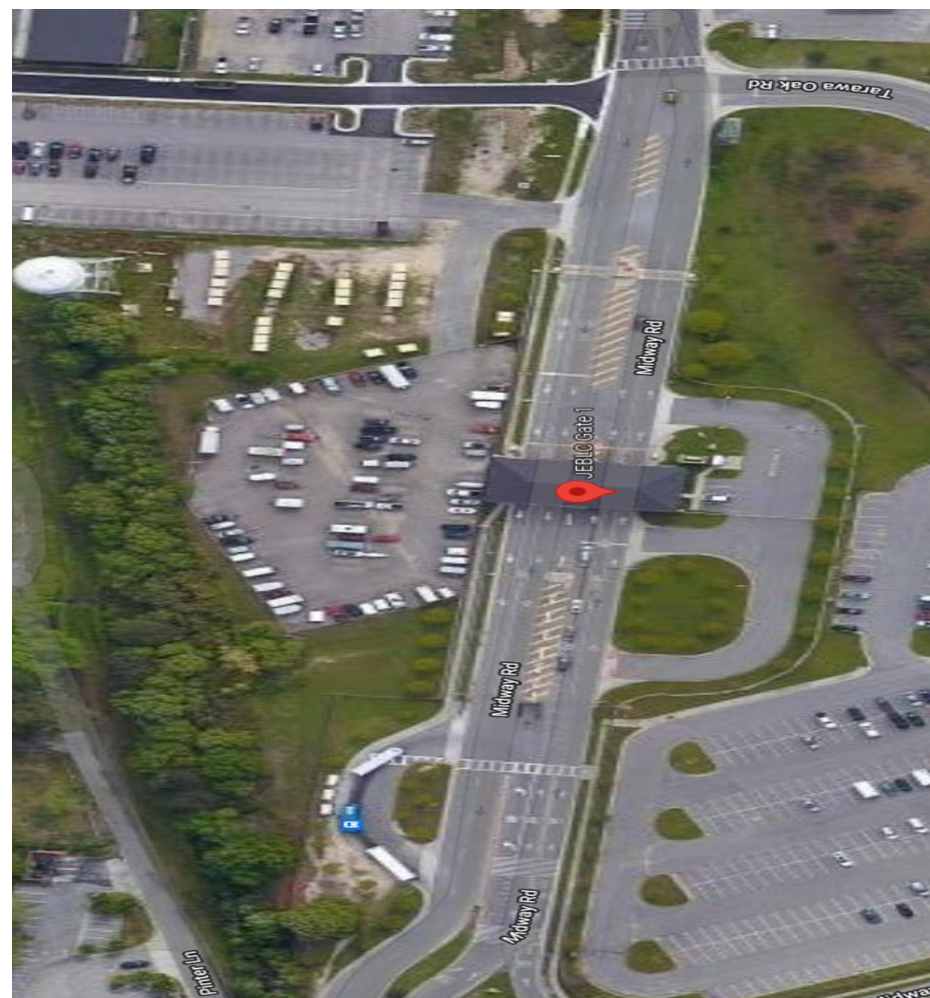

- Gate #1 Inbound Lanes will continue with normal operations

### EGRESS:

- Gate #2 will open as an egress point only
- 1000-1700 Mon-Fri

### OPERATIONS:

- Gate #3 and Gate #5 will be normal operations
- Large trucks exiting that cannot travel over the joint bridge will send a request 24 hours prior to the command ATO in order for security to properly notify the construction crew to utilize Gate #1 for ingress/egress.
